

**ALASKA CHILDREN'S TRUST
Alaska Afterschool Network
AmeriCorps - Afterschool STEM Internship**

Launch rockets, erupt volcanoes, code robots, design roller coasters, study wildlife, and engineer solutions with students during after school hours through the Afterschool STEM Internship. Participants will have the chance to engage K-5 students in fun, hands-on STEM (Science, Technology, Engineering and Math) learning and guide students as they develop their creativity, explore technologies, and engage in scientific inquiry. Participants commit to a minimum of one semester of service as an AmeriCorps member at an existing afterschool program providing academic enrichment, social emotional learning, and wellness opportunities for school-age youth. For their service, participants receive both a living stipend and an education award, as well as professional development, skills, and experience to advance their careers. Apply following this link: akafterschool.org/ameriCorps/#apply.

Afterschool STEM Internship – Terms of Service	
Term Length	10 Weeks
Required Hours of Service	100 minimum

Job Duties:

- Facilitate a positive and safe learning environment for diverse student learners during afterschool program hours (3:00 - 6:00 PM).
- Lead hands-on activities with students at an afterschool program, including at least two 30-minute STEM activities per week.
- Expand your knowledge of youth development and STEM education by engaging in ongoing professional development to ensure student success.
- Build positive relationships with students, coworkers, and supervisors.
- Submit timesheets and program data measure student impact.
- Commit to fulfilling required member service hours within your service term.
- Model the AmeriCorps ethic of community service and responsibility and show a commitment to improving the lives of others.

NOTES: Diversity is a core component to the work at the Alaska Children’s Trust. We are passionate about building and sustaining an inclusive and equitable environment for all employees. We believe every member on our team enriches our diversity by exposing us to a broad range of ways to understand and engage with the world, identify challenges, and to discover, design and deliver solutions.

Jobs are dynamic, and assignments/priorities may change. It is not intended or implied to be an employment contract but is a communication tool to explain the responsibilities, advertise the job, and identify performance measures and potential training needs. This description does not imply or create a contractual relationship. ACT is an at-will employer.

HOW TO APPLY: Qualified applicants should complete the application and submit an updated résumé using the following link: akafterschool.org/amicorps/#apply
